Aspiring Software Engineer looking for an internship where I can apply my programming abilities, solve realworld problems, obtain hands-on experience, and contribute to a dynamic team while growing my career in software engineering.

# Education

**Trinity College Kandy** - GCE Advanced Level | **2020**
**C-Business, S-Economics, S-Accounting, A-General English**

**Esoft Metro Campus** – Diploma in Information Technology (DiTec) | **2018**

**Open University of Sri Lanka** – Bachelor of Software Engineering Honours **(BSEHons)** | **(Reading)**

# Projects

**Book Store App – (MERN)**
A MERN book store app with Google Auth and CRUD functionality, leveraging a REST API and enhancing the user experience with a sleek Tailwind CSS design.

**E-commerce App – (MERN)**
A dynamic MERN e-commerce app featuring a seamless shopping experience, robust backend with RESTful API architecture, and CRUD operations for efficient data management.

**Student Mangament Dashboard (ASP.NET & React JS)**
The Student Management Dashboard integrates ASP.NET and React JS with Tailwind CSS styling and the Flowbite library. This facilitates CRUD operations, allowing seamless management of student records.

**Personal Portfolio – (React & Tailwind )**
Built with React, enhanced by Swiper for smooth navigation, and styled with Tailwind CSS. Hosted on Netlify for seamless deployment

**Dental Booking webpage – (HTML, CSS, JS, PHP)**
A Dental booking webpage using HTML, CSS, JavaScript, and PHP technologies, enabling patients to easily schedule consultation appointments.

# Skills

## Technical Skills

**Programming Languages:**
*Java, Python, C#, R*

**Web Development:**
*HTML, CSS, JavaScript, React.js, PHP, Node.js, ASP.NET, REST API, Tailwind CSS, Bootstrap*

**Mobile App Development:**
*Android (Java), React Native*

**Database Management:**
*SQL, MongoDB*
*MS SQL Server, Oracle*

**Version Control:**
*Git & GitHub*

**OOP Concepts**

## Personal Skills

Problem Solving
Critical Thinking
Flexibility
Communication
Teamwork
Creativity

# Certificates

**Solo Learn**
Java, Python, Python DSA, SQL

**Future Career Bridge (SLASSCOM)**
Fundamental Track
